

## Book easyJet content via the Sabre system

Do you know that you can book EasyJet content via the Sabre System?

As of today you can book EasyJet content via the Sabre System. This is part of our ongoing commitment to provide you with all the fares and content you need to service your traveler in the most efficient and cost effective way.

You can increase your productivity with faster booking times via the Sabre system. In fact, booking easyJet within Sabre is on average over 4 times quicker compared to booking via the website.

- Use your familiar Sabre formats
- View EasyJet content within your normal availability display
- Combine EasyJet flights with other airline segments in the same reservation
- Book and fulfill ancillary services such as baggage charges and speedy boarding
- Integrate bookings seamlessly into your back office workflow

More information is available on how to book EasyJet in the new EasyJet Community on [Agency eServices](#) where you will find Quick Reference guides, FAQs and more.....
