

New German Tax effective for sales on/after 04 September

We have been notified that Germany has introduced a new tax for enplanement in Germany effective for sales On/After 04 Sep 2010, for Travel On/After January 01, 2011.

- Sabre includes taxes approved by the IATA Ticket Tax Box Service (TTBS) in the tax boxes of a ticket
- Effective 03 Sep. 2010 Sabre was advised of a new tax – TTBS/2010-5064 – GERMANY- OY – NEW TICKET CODE – AIR TRANSPORT TAX
- This tax has been coded by Sabre development teams to automatically accrue in accordance with the new instruction at time of pricing and automatically be placed in the tax box on the ticket
- Normally there is advanced notification of tax changes but in this case the tax notification was with effective date – for tickets issued on/after 04 Sep. 2010 for travel on/after 01 Jan. 2011
- The tax work was coded immediately, has undergone testing and is now loaded to production
