

SSR INFT – Infant Date of Birth required from 08 Oct.

October 8, Sabre will require a Date of Birth/DOB in the INFT SSR input entry and no longer accept an age.

A new error message will be received if the INFT SSR input includes an age and not a Date of Birth:

.INVALID DOB – USE DDMMYY.NOT ENT BGNG WITH 3INFT/BEAR/BABY/08-1.1

Valid input: 3INFT/BEAR/BABY/07SEP08-1.1
